Sir,

Subject:- Additional staff for attending to the disposal of audit reports in the Rationing Office, Bangalore City.

I have the honour to state that in connection with the retrenchment of staff in the Rationing establishment in Bangalore City, the Rationing Officer states that the important and responsible work relating to the disposal of audit reports in his office cannot be entrusted to the existing junior officials and that two senior and experienced officials are absolutely necessary for dealing with this work efficiently and expeditiously. The Auditor & Accounting Officer of this Department was requested to spare the services of two accountants of his office for the purpose, but he stated as follows:--

> " As my Branch is very much short of hands according to the basic scale and we have very urgent work to attend to, I am not in a position to spare any hands now".

It has also not been possible to spare any suitable hands from my office as the work here has been on the increase consequent on the decision to continue the existing distribution arrangements and the reduced staff retained after the retrenchments recently effected is hardly adequate to cope with the work.

In the circumstances, I request that sanction of Government may kindly be obtained to the appointment of two additional Accounts clerks on Rs.75/- p.m.each for attending to the disposal of audit reports in the Rationing Office, Bangalore City, till the

end of December 1948.

I have the honour to be,
Sir,
Your most obedient servant,
